

Help Us Uplift Care

We've heard your voice, and now it's time we take action!

Do you want to influence changes government is making to improve how we care for children & young people?

WHO: We need 6-8 Young People with a Care experience over 12 years of age.
You will work with CREATE, the Child Advocate team, and the Uplifting Care Implementation team.

WHAT: The group will give advice to government to improve care for children & young people.
You'll attend workshops where your voice will help make change.
You will be reimbursed for your time and wisdom!

WHEN: There will be 5 face-to-face workshops in Campbell Town on Saturdays:
12 April, 3 May, 17 May, 31 May, 14 June.
Transport may be available – let us know if you need a lift!

RSVP: Please send your interest and response to the question below to the Child Advocate Team via email, text or a short video before 31 March.

If you're keen, let us know:

What does the Out of Home Care system need to do better, or make their number 1 priority?
